## Graduation and Commencement Ceremony Agreement

**To:** Graduating Participants and Parents/Guardians

**From:** Eaglecrest High School Administration

**Date:** April 2018

**Subject:** Participation in graduation and commencement ceremony

The purpose of this agreement is to communicate the expectations Eaglecrest High School Administration has for participants in the graduation and commencement ceremony to be held on Thursday, May 24, 2018 at 12:00 PM. The school administration holds very high expectations for all participants in the ceremony; therefore, only students who have met all graduation requirements of Eaglecrest High School and the Cherry Creek School District will participate in the ceremony held at University of Denver Ritchie Center.

Participation in the ceremony is a privilege. Therefore, it is important to remember that all school district discipline policies and procedures will follow students through their graduation ceremony, inclusive of activities such as proms and other special school events. From the date of this signed contract forward, any student involved in a behavioral incident that would result in a suspension and/or expulsion from school and school activities will not be allowed to participate in the graduation and commencement ceremony on Thursday, May 24, 2018. Such behaviors include, but are not limited to, behavior involving alcohol or drug offenses, vandalism, or fighting.

As evidenced by our signatures below, we acknowledge, understand, and agree that participation in the Eaglecrest High School Commencement Ceremony is a privilege and is subject to compliance with all school and school district discipline policies and regulations:
