

EHS Honor Cord Requirements

*Implementation will begin with the Class of 2016

Semesters Required For Honor Cord Eligibility	8 Semesters
Cumulative GPA Requirement	Minimum 3.5
GPA within the Department Classes Taken During High School	Minimum 3.5
Other Requirements	TBD by Individual Honor Society

Rationale: Eaglecrest offers honors programs and honor societies for students who excel academically and seek an enriched and challenging learning environment. Graduates who fulfill the requirements are eligible to wear honor cords, which are provided by the school and departments. The requirements for graduating with an honor cord are different for each society, and there is a minimum expectation of academic achievement in order to receive an honor cord for graduation. The GPA requirements are to ensure that all graduates receiving an honor cord are truly the definition of "graduating with academic honors."

Definitions:

- The GPA requirement is a minimum.
- The honor society may choose a higher GPA to receive an honor cord
- Eligibility is tabulated after seven semesters of high school; however, no cord will be given to a student who is not in good standing to complete the eighth semester.
