

Buy Your 2019 Yearbook Now!

Last year, the school sold out of yearbooks before distribution. Make sure you order your student's yearbook before it's too late.

Here's how:

1. Go to www.jostens.com
2. Type in "Eaglecrest High School" and click on the link to take you to Eaglecrest
3. Select "2019 Yearbook"
 - a. From here, you will be prompted to make several choices
 - i. You can personalize your book if you want
 - ii. You can choose to pay in three installments instead of one
 - b. Please make sure you input your **student's name** and grade level for the 2018-19 school year
4. We place our final order for books in February, so make sure you order your book before then.
5. Can't do it now? You will receive reminders from Jostens throughout the year to buy if you have not yet done so. Just remember that Jostens gives you the opportunity to pay in increments, so the earlier the better so you pay at the lowest cost offered.
6. Mark your calendars to watch for the distribution event date, which will be announced in late April (distribution will be the middle of May).
