

Distinguished Teacher Nominations 2018 - 2019

★ Eaglecrest Teacher of the Year ★

The purpose of this Colorado Teacher Award is to recognize the teaching profession by honoring distinguished teachers for their excellence in teaching. The recipients of this award are celebrated at our school, in the community and at the annual District Teacher Awards Banquet.

As we have so many worthy Raptors, we are encouraging all Eaglecrest colleagues, students, and parents of students, to review the list below of eligible teachers and submit a nomination form on behalf of the teacher who has touched their life in a special way. You are welcome to nominate more than one teacher on separate forms.

The following is a list of eligible teachers who are currently a full-time classroom teacher, have taught in the Cherry Creek School District for at least five full years, and have not previously received this award at any other Cherry Creek school.
